

Information to Parents / Pupils - Year 8:

Religious Education: Organised and Ready for Year 8 Summer Assessment

Being Organised

Pupils will be given information sheets for all units studied this year. Pupils can use this in conjunction with their books to revise for their end of year exams.

Content

Units to focus on:

HT1: Creation and Covenant- Conscience

HT2: Prophecy and Promise- Lourdes

HT3: Galilee to Jerusalem – Widow's Offering and Jesus' Miracles

HT4: From Desert to Garden- Key Words

Revision

Pupils will also be given an A3 sheet with all key topics on to focus their revision. Pupils should reduce all information to five key points and two sources per topic using the A3 sheets or flash cards. The most effective revision method is to ask people at home to test you on what you have learnt- asking questions and giving clues if necessary.

The below links will also give pupils access to clips and other information on a range of topics as outlined above.
