

Geography: Organised and Ready for Year 12 Summer Exams

Being Organised

Every pupil has a Oxford textbook for each element of the course and a Hodder textbook which covers the whole course. They cover both exam papers. THIS IS THE BEST PLACE TO START REVISION.

There are further model answers that have been provided by the Geography Department of St Leonard's, for each paper. At present pupils should keep their folder and revision materials at home, pupils only need to bring in their current Global Governance and Coasts clas work.
