

Information to Parents / Pupils

Being Organised

There are five topics to revise: Fantastic Places, Urban Population, Weather and Climate and Coasts. Every pupil has an A4 exercise book. **THIS IS THE BEST PLACE TO START REVISION.**

The paper will have 25 marks of knowledge recall (key facts and figures) and 25 marks of knowledge application (longer answered questions).

Topics

Fantastic Places

Urban Population

Weather and Climate

Coasts

Russia (only small questions)

Revision Activities

All students will receive an A3 knowledge sheet – using this sheet, you could create flash cards / mind maps on the key topics listed above.

Use Revision PPs and exercise book to embed skills taught throughout the year

All students will have a revision lesson – use the resources provided in this lesson to consolidate the revision.
