

Information to Parents / Pupils

Being Organised

There are four topics to revise: Africa, Natural Hazards – Tectonics, Weather and Climate. Every pupil has an A4 exercise book. **THIS IS THE BEST PLACE TO START REVISION.**

The paper will have 25 marks of knowledge recall (key facts and figures) and 25 marks of knowledge application (longer answered questions).

Topics

Africa (Tropical Rainforests and Deserts)

Natural Hazards – Tectonics, Weather and Climate.

Revision Activities

All students will receive an A3 knowledge sheet – using this sheet, you could create flash cards / mind maps on the key topics listed above.

Use Revision PPs and exercise book to embed skills taught throughout the year
